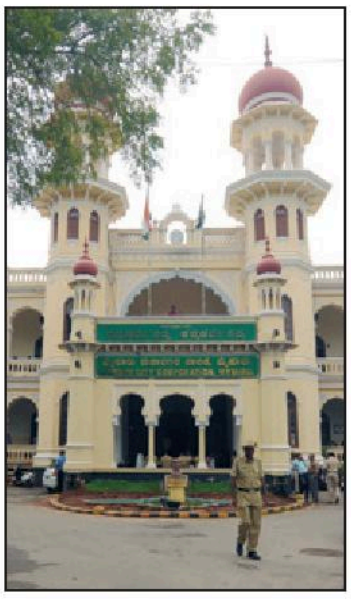
MCC to collect tax from residents of MUDA layouts

G. Jagadeesha

Mysuru, Jan.21 (MTY&BCT)- Own a property in Mysuru Urban Development Authority (MUDA) layouts that have not yet been handed over to Mysuru City Corporation (MCC)? Then get ready to pay property tax. For, the MCC has decided to collect property taxes from the owners in these localities that have been formed by MUDA.



The MCC is collecting taxes in order to provide basic amenities to the layouts. Interestingly, some of the layouts are yet to be taken over by the MCC and the civic body is going ahead and collecting taxes. MCC has been sending notices to all property owners in these layouts including Vijayanagar Third Stage.

The notice says that property owners need to pay taxes for supply of drinking water, sanitation and underground drain connection. Provisions have already been made by the civic body in these layouts, some of which are within the Outer Ring Road limits.

Speaking to *Star of Mysore* this morning, MCC Commissioner G. Jagadeesha said that of the 66 layouts developed by MUDA, the MCC has already taken over 44 layouts and has started the process of taking over the remaining 22 layouts.

"MUDA only develops layouts and it is the MCC that has to provide basic amenities. We will take over the remaining 22 layouts soon and we have been providing all facilities to the MUDA layouts for many years. We have requested the property owners to voluntarily pay tax to the Corporation for the basic amenities we have provided," he said.

The Commissioner clarified that by paying property tax, residents cannot claim Khata and building licence from MCC as these can be provided only after layouts are transferred to MCC.

Family travels 1,950 km to city from Ujjain standing in train

Consumer Court asks Railways to cough up Rs.37,000 for 33-hour ordeal

Mysuru, Jan.21 (RK&BCT)- A City Consumer Court has ordered the Indian Railways to pay Rs. 37,000 as compensation to a family who faced a 33-hour ordeal of travelling standing inside a train for 1,950 kilometres as their reserved berths were illegally occupied by other travellers. Interestingly, the complainant himself argued his case in the Court.

The three family members had valid tickets worth Rs.740 each and the tickets were booked in Mysuru City Railway Station and the total value of the tickets is Rs. 2,220. The journey on May 25, 2017 in the sleeper class of the Jaipur-Mysore Superfast Express (Train No.12976) from Ujjain was a nightmarish one for Vijesh, a resident of Satyamarg Main, behind ICICI Bank Lane, Siddartha Layout and two of his family members.

After boarding from Ujjain, they were shocked to see that their berths (coach No.S5 and berth Nos. 57, 58 and 63) were taken over by others in the compartment which was crowded by unreserved passengers. As the journey began, Vijesh complained to the coach TTE about their seats and requested them to vacate the occupants. But the TTE did not bother to heed to his request so did the RPF personnel in the train, when Vijesh took the matter to them.

Vijesh then tried the grievance redressal options of the Indian Railways including helpline and SMS service but his efforts were futile. He even got down at Bhopal Station in Madhya Pradesh and Kazipet in Telangana and physically lodged complaints to regain the berths reserved for his family. Unfortunately, the Railway officials offered no help.

EDITOR'S BOTTOMLINE

India needs 5 million affordable homes every year. And, the supply is not even 5,00,000 homes a year. Given the sheer unmet demand, India presents the largest, multi-billion affordable housing opportunity in the world. You would assume that there ought to be a stampede of big developers, established corporate houses, and some of the country's canniest entrepreneurs to grab the proverbial pot of gold at the end of the rainbow.

Yet surprisingly, the landscape is littered with failed attempts — and a visible lack of ambition. So what's prevented India's mega corporate houses, from coming up with the goods? And, with 78 million homeless Indians, why is Prime Minister Narendra Modi's grand Housing-for-All plan unlikely to even come close to achieving its stated goal by 2022? Based on my conversations with various stakeholders, it appears that the affordable housing opportunity has proven to be one more of the many "wicked problems" that afflict India. Most of the large developers are focused on building fancy gated enclaves for the rich and the upper middle class.

Majestic Yacht!

London: A retired British businessman with the lifelong dream of building a majestic yacht has almost achieved his goal. Mike Ludgrove, 63, is putting the finishing touches on the 60ft boat to which he has spent 12 years painstakingly crafting by hand. The classic sailing yacht that he has named is 'Helena.'

Ludgrove, who trained at Lyme Regis Boat building Academy, originally estimated that he could complete his dream yacht in just three years, at a cost of around £500,000. He soon realised, that the budget were overly ambitious. To raise more funds, Ludgrove and his amazingly supportive wife Elaine sold their London flat and now live in a rented ex-council house. The 30-tonne boat is coated with fiberglass to protect the wood and has a captain's quarters and two large cabins which can accommodate up to six people. 'Helena' is due to launch this coming spring, and Ludgrove said of the project that he hopes it will inspire young people who would not usually have a chance to sail. He plans to sell trips on the yacht and use the revenue to help enable young people to sail.

'Add insult to injury'

Yakutsk: A young woman from the Russian Republic of Iacutia who was allegedly assaulted in a local disco went to the hospital to have her wounds registered so she could press charges, but was shocked to discover that the doctor on duty was the same man who had attacked her.

A short video that has been doing the rounds on Russian social media for the past couple of days shows doctor Vladimir Naumov threatening and physically assaulting 20-year-old Anastasia Dmitrieva, at the hospital in Neryungri, eastern Russia. The woman had allegedly come to the hospital to have the wounds she had sustained a few hours earlier, at the local disco. Naumov has since tried to explain that he was set up, and that Dmitrieva and a group of her friends had actually assaulted a colleague of his at the disco. He had just stepped in to help the woman, as any other honorable man would have done, but never meant to injure anyone. He was "angry and full of adrenaline" after seeing his colleague's attackers again, but added that he was provoked. Health Chiefs in Yakutia refused to accept Naumov's explanation and fired him from the hospital.

Bengaluru, Jan. 21 (KMS& BCT)- For the first time in the country, Mysore Sales International Limited (MSIL) is introducing imported sand for builders and public. MSIL is introducing sand imported from Malaysia and it is available in bags for sale. In Mysuru, Malaysian sand will be available from Jan. 22 (tomorrow).

Sand will be available at Channasandra (Bengaluru district), Bidadi (Ramanagaram district), Doddaballapur (Bengaluru), Kyathasandra (Tumakuru district), Mandya, Mysuru (MSIL outlet on New Sayyaji Rao Road and Hubballi initially).

MSIL Managing Director Dr. G.C. Prakash said, "MSIL has opened sales counters. Price per tonne will be Rs. 4,000 in Bengaluru Urban and it will cost Rs. 4,200 in Mysuru per tonne. Price included fees of Mines Department, import duty, GST and others. The MRP will differ from one centre to another."

The sand will be available in 50kg bags and 40,000 to 50,000 metric tonnes of sand have been imported. Government sources said that the packaging of sand after weighing has been completed and the stock will be supplied to all MSIL outlets across the State.

If one tonne in Mysuru will cost Rs. 4,200, for 10 tonnes will cost a buyer Rs. 42,000 inclusive of all taxes. Sources said that sand import from Malaysia will put brakes on illegal sand supply and also the trade where sand is mixed with mud.

Before procuring Malaysian sand, buyers will have to submit documents to local MSIL authorities regarding the need for sand, the building plan, the estimated cost of the house and other details.

At present, private operators have been collecting Rs. 80,000 to Rs 1 lakh per tonne of sand.

KSRTC Workers' Convention held

To launch indefinite stir from Jan.30 seeking fulfilment of demands

KSRTC Staff and Workers Federation leaders at the KSRTC Convention held at Town Hall here yesterday.

Mysuru, Jan. 21 (PM&DM)- More than 1,000 KSRTC workers from across 14 divisions, took part in the day-long convention organised under the banner of KSRTC Staff and Workers Federation at the Town Hall here yesterday.

Addressing the workers, the Federation General Secretary H.V. Anantha Subba Rao cautioned the Government of using ESMA against KSRTC staff in order to crush their struggle.

Warning Chief Minister Siddharamaiah not to take the KSRTC workers lightly, Rao urged the Government to fulfil their demands.

Alleging widespread corruption in the State-run Transport Corporations, he warned of launching an indefinite stir from Jan.30, if the Government does not pay heed to their demands. He further said that corrupt officials were out to crush the rights of workers.

Lashing out at Prime Minister Narendra Modi, Anantha Subba Rao said that the PM was attempting to snatch the rights of the common man. He also hit out at Union Minister Anant Kumar Hegde for making unconstitutional and communal remarks, which were aimed at dividing the society, AITUC General Secretary D.A. Vijaya Bhaskar in his address, said that the convention was aimed at seeking fulfilment of their 42-point charter of demands which was put forward to the Government in July, 2016.

Alleging corruption in the four State Transport Corporations, he said that 250 Airavat buses were lying idle in Bengaluru.

Terming the Airavat buses as 'white elephants' due to their high maintenance cost, he said that the BMTC's decision to ply electric buses, each costing Rs. 3 crore, reeked of corruption.

Earlier, the workers marched in a procession from people's park in Nazarbad passing through Hardinge Circle, Albert Victor Road and Chamaraja Wadiyar Circle to reach the Town Hall. AITUC Secretary H.R. Seshadri, the Federation office-bearers T.L. Rajagopal, G.T. Rangegowda and others were present.

Reserved Bogies: Publish the list

Sir,

I travel quite often between Mysuru and Bengaluru by train. After completion of double track works, we see that there are a good number of trains running between these two cities. Let us thank the Railways for that.

Now, I want to bring it to the notice of the Railway authorities about a problem being faced by travellers, like me, since a long time.

There are many travellers who reserve their tickets particularly in express trains between Mysuru-Bengaluru. But the Railway authorities don't publish the list of seats reserved on the reservation bogies. Earlier, they used to publish the list of reserved seats as soon as the trains arrived.

Nowadays this practice is not being followed and it is creating utter confusion and chaotic situation, because the people won't know that certain bogies are reserved and they enter such bogies and sit there thinking that they are meant for everybody. After sometime the people who have actually reserved their seats come and ask the earlier occupants to vacate their seats! Now unreserved people have to vacate their seats and they can't go to other bogies which would have got filled by that time.

In order to get rid-off this problem, the authorities of the Railways have to bring back the system of publishing the list of reserved seats as soon as the trains arrive in the station. This will allow the people, who have not reserved their seats, to occupy unreserved seats and travel peacefully and comfortably to their destinations.

Mysurean, first Indian Marine Engineer at North Pole

V. Steve Richard (standing 4th from left) among the Navigating Officers onboard.

Mysuru, Jan.21 (NNN)- Marine Engineer **V. Steve Richard** is the first successful Marine Engineer from the country on a voyage to North Pole.

Richard is the Second Engineer onboard Arc7LNG Carrier Eudard Toll and he transited the wilderness and the harsh cold environment of the Arctic to the Yamal Peninsula in the northwest of Siberia, Russia.

The maiden voyage as he recalls is an adventure of a lifetime (and a nightmare) to the North Pole en-route the Arctic Ocean to the Yamal Peninsula in the Arctic Circle.

The ice-clad journey through the dark and bitter cold of minus 35-40 degrees witnessed no sunrise and only ice bergs, Arctic foxes, polar bears and the northern star, which lights up the night sky with varied colours-Aurora Borealis. No vessels transit the route during this part of the year as the ice is thick and the visibility poor.

"It has been the coldest and the longest night of my life lasting three weeks and my new year is yet to see a sunrise," said Richard.

The elite team of the Eduard Toll is headed by the Russian Captain Andrey Solomakha and Italian Chief Engineer Salvatore Distefano. The officers onboard are Spanish, British, Italian and Russian, the crew are Filipinos. Steve is the only Indian onboard.

He was born in Mysuru and studied in St. Joseph's School, Jayalakshmipuram and graduated with BE - Mechanical from Vidyavardhaka College of Engineering. He was awarded the 'Best Outgoing Student of the Mechanical Department' for the year 2009. He later completed 'Graduate Marine Engineering' from Great Eastern Institute of Maritime Studies, Pune.

He was therein campus recruited to Teekay as a Trainee-Marine Engineer and has been working here since 2010, rising in position to Second Engineer. He currently resides in Rajiv Nagar with his parents Elizebath Livero and George Varghese and wife, Carol Jyothi Lobo.

Richard's mother Elizebath Livero, speaking to *Star of Mysore*, said that he would return to Mysuru for a holiday in February after completing his voyage. "It is a pilot project and it is the first ship that South Korea built for this project," she said.

The vessel successfully loaded LNG (Liquified Natural Gas) at load port Sabetta, Yamal Peninsula on Jan.17 and is headed to Montoir, France to discharge.

It is a dream by every seafarer to cross the Bering Strait and sail through the Northern Sea Route and Steve Richard is amongst the fortunate ones.

Vedic Shloka Paintings Expo at Mysuru Art Gallery

Artist Jayadeva's works on Upanishads, Soundarya Lahari on display

Mysuru, Jan.21 (NNN)- A rare collection of paintings inspired by Upanishads and Adi Sankaracharya's Soundarya Lahari are on display at the Mysuru Art Gallery. Retired Art teacher Hunasagahalli Jayadeva, 72, has given a new dimension to the Upanishads and Soundarya Lahari, the shlokas contained in these scriptures and there are nearly 50 of them on display at the gallery.

The paintings are rich and done in bright colours. According to Jayadeva, Upanishads discuss a way of life and it is not a religion. It tells the people what nature is and how the Universe came into being, thus helping us to understand it better.

Jayadeya, who is greatly influenced by his father H.D. Muthanna who was a Philosopher, grew up listening to discussions on Philosophy. Dr. S. Radhakrishnan's book 'Recovery of Faith' inspired him and that is how he developed a special interest, he said.

Artist Hunasagahalli Jayadeva explaining the concept of his paintings at the Mysuru Art Gallery as District Co-operative Federation President H.V. Rajeev, Mysuru Art Gallery President L.Shivalingappa, Secretary Dr. Jamunarani Mirle and others look on.

Some of the paintings on display include Swarga Devathe, Parashaktiya Mahime, Shiva Ganapathi, Viraj-2, Ardha Stree Ardha Purusha Viraj-1, Kamadhenu, huge Surya Namaskar and scholars in discussion.

Youth Club activities conclude

Prize winners of various competitions organised by Mysuru Zoo are seen with the dignitaries during the valedictory of Mysuru Zoo Youth Club held at the Zoo premises in city this morning.

Mysuru, Jan.21 (PM&KS)- For members of the Mysuru Zoo Youth Club, 2017-18 will be a year to remember in their lifetime as they were educated in conservation of forests, wildlife, environment, behaviour of wild and captive animals, etc. as part of the Club's activities for the year 2017-18. The valedictory of the Youth Club was held this morning and it brought down curtains on various educational activities conducted by the Club for its members during the year.

In all, 60 students in the age group 12 to 18 years had enrolled themselves to Youth Club. Classes were held for them by subject experts. Members of the Club, drawn from various Schools in city, were introduced to wildlife and conservation issues apart from providing them first-hand experience in wildlife management as part of the Club activities. The objective of the Club is to rope in students and educate them about the importance of Conservation.

DC D. Randeep, who was the chief guest, said that more awareness should be created among the youth about the importance of wildlife conservation and environment protection so that they can build a clean and safe places not only for them but also for the wild animals which are important in the eco system and added that the Mysuru Zoo Youth Club was the right platform for youth to know more.

Stating that encroachment and destroying forests were leading to man-animal conflicts, the DC called upon everyone to protect forests and wildlife for the future generations. The DC also announced that he would be adopting an animal at the Mysuru Zoo soon.

Additional PCCF and ZAK Member-Secretary B.P. Ravi, who spoke, said that youths should be guided in conservation activities and added that the Club was working in that context.

Stating that conservation of environment has been forgotten in the name of development, he said that this had resulted in encroachment of forest lands which are not being protected to the best level. He said that wild animals are coming to urban places in search of food and water and added that everyone should understand their behaviour and should also learn how to send them back to the forest calmly without provoking them.

Prizes were distributed to the winners of various contests conducted by Zoo and certificates were given to the members of the Club. ZAK Chairperson Mallige Veeresh, Zoo Executive Director C. Ravishankar and ZAK nominated member K. Thukaram were present.

MCC to collect tax
from residents of MUDA layouts

(Continued from page 1)

He added that due process will be followed while taking over the MUDA layouts to MCC jurisdiction and the civic body is not violating any rule by asking residents (of layouts that are still with MUDA) to pay property taxes.

"By levying property taxes, we hope to increase the MCC revenue by 20 percent. When I took over as the MCC Commissioner, the civic body had tax revenue of Rs.90 crore and it has reached Rs.100 crore. We are aiming to reach the target of Rs. 120 crore soon," he added.

RESIDENTS COMPLAIN

While the MCC is planning to mop up revenues by collecting taxes from the layouts that it has not yet taken over, residents of those layouts that have already been taken over by MCC have complained that the MCC does not clear garbage in their areas.

It may be recalled here that *Star of Mysore* had published many letters where residents had highlighted this issue of garbage clearance and overflowing drains. Residents of Vijayanagar Third Stage in particular have complained that the MCC and MUDA have orphaned them as garbage clearance was not regular.

"Garbage cleaning is not carried out regularly in Vijayanagar Third Stage. Also the drainage near Mulakanadu Bhavan in the area often overflows and due to this, foul smell is emanated," said a resident.

Family travels 1,950km to city from Ujjain standing in train

(Continued from page 1)

After reaching Mysore City Railway Station, he contacted the Railway officials with a complaint but the authorities cited territorial jurisdiction as the reason and Vijesh was told to go back to Ujjain where he started the journey to lodge a complaint.

Having no other alternative, Vijesh then approached the District Consumer Disputes Redressal Forum in Mysuru on June 23, 2017 with a complaint against the South Western Railways Division Railway Manager Mysuru and the Division Commercial Manager. He sought a relief of Rs. 3,32,597. He himself argued the case in the Court.

To substantiate his claims, Vijesh submitted photographs of the overcrowded compartment. In their response, the Mysuru Railway authorities quoted Indian Railways' territorial jurisdiction and requested the Consumer Court to dismiss the passenger's plea.

Passing the order, the copy of which is with Star of Mysore, the Consumer Court President H.M. Shivakumara Swamy and Members M.V. Bharathi and M.C. Devakumar slammed the Mysuru Railways authorities.

"The contention of maintainability of the complaint on the ground of lack of jurisdiction is not justified, because there are several train runs from opposite party station, beyond its territorial jurisdiction," the judges observed.

In a verdict pronounced on Friday (Jan. 26), the Consumer Forum indicted the Railways for deficiency in service and ordered to pay a compensation of Rs. 37,000 (Rs.25,000 towards the deficiency in service, Rs. 10,000 for the mental agony, inconvenience and Rs.2,000 towards litigation expenses) to Vijesh for the inconvenience and hardship caused to the family on train despite holding valid tickets.

The Railways have been ordered to pay the compensation within 60 days, failing which the court imposed a daily penalty of Rs. 200 until compliance. It took 6 months and 28 days for the Court to pass the order.

Demonetisation hits migrant workers: P. Sainath

National Seminar on 'Migration' at Bahuroopi concludes today

Senior journalist P. Sainath addressing the gathering during the inaugural session of the two-day seminar on 'Migration' organised as part of the Bahuroopi at Kalamandira premises yesterday as Joint Director Mallikarjunaswamy, State SC/ST Nodal Officer Dr. Bala Gurumurthy, Marathi playwright from Maharashtra Mahesh Elkunchwar, Advocate and writer Nandita Haksar and Rangayana Director Bhagirathi Bai Kadam look on. Picture right shows a section of the audience.

Mysuru, Jan. 21 (MTY&US)- Senior journalist P. Sainath alleged that demonetisation had badly hit migrant workers who used to send money home every week. He was speaking during the inaugural session of the two-day National Seminar on 'Migration,' organised as part of Bahuroopi Theatre Festival, at Rangayana premises here yesterday.

He added that farmers who relied on their children working elsewhere for monetary help too were affected. Citing an example, Sainath said that workers would migrate from Maharashtra to bordering Karnataka to cut sugarcane who were usually paid in Rs.500 currency notes which was stopped on demonetisation.

Referring to over importance being given now for bio-metric authentication, Sainath observed that owing to nature of work, the finger print impressions of migrant workers changed constantly depriving them of ration and other amenities.

Earlier, renowned Marathi playwright from Maharashtra Mahesh Elkunchwar inaugurated the two-day seminar by waving a white cloth and feeding jaggery and fruits to a 'Kole Basava' (Ox) brought by two fortune tellers from Kunigal.

Speaking on the occasion, Elkunchwar pointed out that migration of people dates back to ages which could be either by choice or under forced circumstances. He contended that migrants too have contributed immensely to growth of the nation citing the achievement of the Tata Group. However, he opined that migrants should embrace the local culture. He added that USA too was a land of immigrants.

Protest on dais

Advocate and writer Nandita Haksar, who was the chief guest at the programme, strongly opposed the inauguration pattern where a 'Kole Basava' was allowed on stage along with two fortune tellers. She contended that it appeared like a BJP agenda and even asked people to support her by clapping.

State SC/ST Nodal Officer Dr. Bala Gurumurty, Rangayana Director Bhagirathi Bai Kadam, Joint Director Mallikarjunaswamy and others were present during the occasion.

I will definitely contest polls from Chamaraja as Independent: Rebel JD(S) leader K. Harish Gowda

Mysuru, Jan.21 (RK&DM)- Asserting that he was definitely going to contest the forthcoming Assembly polls from Chamaraja Constituency in the city as an Independent, come what may, rebel JD(S) leader K. Harish Gowda said that he had already made the groundwork for the polls.

Speaking to press persons at a private hotel here on Saturday, Harish Gowda said he was deeply pained by the developments in the JD(S) with the party almost finalising the candidature of another leader.

Maintaining that he was contesting the polls for getting elected and not to defeat any other candidate, he claimed that BJP and Congress leaders were in touch with him.

Pointing out that some JD(S) leaders too have asked him not to be hasty as the party may issue the Chamaraja ticket to him at the last minute, Harish Gowda said that whatever the developments that may take place in the days to come, there will be no compromise on his contest whatsoever.

Stating that he had toiled hard over the years for the JD(S), he said that he backed out of the 2013 Assembly polls from Chamaraja, in favour of H.S. Shankaralingegowda, who had joined the JD(S) after quitting the BJP.

Then, JD(S) leaders such as H.D. Deve Gowda, H.D. Kumaraswamy and H.D. Revanna had assured him the party ticket for the 2018 polls. But the latest development had deeply hurt him, he said and reiterated that he was going to contest as an Independent.

Expressing confidence that he will get elected from Chamaraja, Harish Gowda blamed a JD(S) MLA and an MLC for the party to deny him the ticket.

Pointing out that he has a lot of respect for H.D. Deve Gowda, H.D. Kumaraswamy and H.D. Revanna, Harish Gowda announced that he would launch a 40-day padayatra in Chamaraja Assembly segment from Jan. 21.

He also released a booklet titled *'Nimmolagobha K. Harish Gowda'* on the occasion, meant for distribution amongst all households in the constituency.

Prof. P.V. Nanjaraj Urs, Srikara Basavananda Swamiji and Mohammad Ibrahim were present at the press meet.

Ahead of polls, ECI directs Govt. to effect transfers

Bengaluru, Jan.21- The Election Commission of India (ECI) has directed the government to undertake a major surgery of the bureaucracy and the Police to ensure fair and transparent conduct of the upcoming Assembly elections. Officers posted in their home district or those who have completed three years in a district in the last four years or due for completion of three years on or before May 2018 must be transferred, ECI Principal Secretary Narendra N. Butolia directed Chief Secretary K. Ratna Prabha. The directive was addressed to Chief Electoral Officer Sanjiv Kumar as well.

Besides officers routinely appointed for election duty, the ECI has said the transfers will be applicable to Assistant District Magistrates, Sub-Divisional Magistrates, Deputy/Joint Collectors, Tahsildars and Block Development Officers. Police officers — from the level of Sub-Inspector to that of range Inspector General — who are responsible for security or deployment of personnel in a district in election time are also to be transferred.

The government should take care that no officer is posted back to one's home district or allowed to continue in a constituency where he or she was posted during an earlier election.

Former MLA A.R. Krishnamurthy decides to quit BJP

Chamarajanagar, Jan.21(SS&DM)- Even as the BJP's statewide *'Parivartana Yatra'* is all set to enter Chamarajanagar district today, former MLA A.R. Krishnamurthy, who is the son of former Governor Late B. Rachaiah on Saturday announced his decision to quit the BJP.

Addressing a media conference, here yesterday, Krishnamurthy said the party leaders in the district have been neglecting him.

Claiming that neither the District In-charge Secretaries nor the District BJP President contacted him even when there were rumours that he would join the Congress, the former MLA said that he was not consulted at a time when the *Parivartana Yatra* is arriving in the district.

Expressing displeasure about his name nor his photo figuring in any of the party programmes in the district, Krishnamurthy maintained that the indifferent attitude of the party leaders towards him had hurt him.

When asked about his next move, he declined to confirm that he would join the Congress. He said that he would tour the district and seek the advise of his supporters before taking a decision on his next political move.

Chikkamadu's son may join Congress: As Assembly elections draw closer, speculations are rife that Anil Chikkamadu, son of late JD(S) MLA Chikkamadu, is likely to join the Congress.

Sources said that Anil, along with his mother Jayamma and H.D. Kote Congress leaders met CM Siddharamaiah recently and held talks about his induction to the Congress. Anil is said to be upset with the JD(S) for not assuring him the party ticket to contest the election.

The Congress is planning to cash in on the sympathy factory by fielding Anil, the sources pointed out.
